

Shine-A-Light Night

Seth Woodard is proud to host Shine-A-Light Night on May 2nd from 5:30-7:00 PM. Come join OTTO from the Spokane Indians as we shine a light on many of the engaging learning activities and resources available at Seth Woodard Elementary, West Valley School District, and the local community

Kids can participate in learning activities hosted by classroom teachers and shop at the Scholastic book fair set up in the school library. Families can browse booths set up to learn more about nutrition, transportation, health, speech, counseling, and multilingual services within West Valley School District, including employment opportunities. Local organizations will be on hand to answer questions about programs and resources supporting students and families, including Millwood Impact, Argonne Library, Millwood Farmer's Market, Girl Scouts, Boy Scouts (with a pinewood derby demonstration!), and much more!

Members of Seth Woodard Parent Teacher Organization (PTO) will be in the cafeteria selling food, beverages, and spirit gear. You can also reserve a copy of the yearbook. PTO is open to all! We hope you will consider becoming involved in Seth Woodard's PTO.

See you May 2nd!
